Miss Chapman
Gents,

Herewith return medals sent me on approval - with statement of acct. affixed. The balance of 145 I will remit just as soon as possible, probably in about a week. Do you not think a cash purchase of $8.00 (with another 145 to follow) is sufficient to warrant your paying the transportation me way on this? it seems to me it should be - however should you think different advise me and I will add this to the 145, I want to do the right thing

Thanking you for sending these and hoping this will not end our acquaintance I remain

Yours truly
Robt B King
